The Black Wizard has been released into the Lands Between, a place where the Old Kingdom's realms intersect, and the surviving mystical creatures flock to him. A new era, full of hope and danger, has begun. Will you bring your abilities to bear and defeat the Black Wizard as he attempts to claim the sovereignty of the Old Kingdom, and bring down the walls that separate the Lands Between? Featuring an epic story that intertwines into a global narrative, The Black Wizard draws a sword as he strides forward. A legendary hero on the verge of restoration, he will use the numerous different special attacks and items to vanquish his enemies. (Detailed information to be provided in the future) Featuring a versatile action RPG system, Collect various weapons, armor, and magic to change your characters appearance. Use skills, magic, and items to change the course of battle. Fighting battles will have a substantial impact on the game. Use the skills and spells of other characters to combine attacks and passives. You can experience the story in multiple ways through dialogue with other characters, the quest log, and a minigame. Will you fulfill your destiny as a legend? ABOUT THE GAME ■ Campaign LEGENDARY HEROES. The Black Wizard is a legendary hero who survived the great war between the lands and the dungeons. He has sought out the Lands Between and struck a great deal of fear into the hearts of many mystical creatures. What is your fate, heroes? ■ Action-RPG system A powerful Action-RPG system that provides players with the freedom to explore a vast world while controlling a custom-made character. You can freely switch between characters as you approach enemies, plan attacks, and develop skills. You will encounter many different conditions as you explore, and the battle system allows you to strategically plan and execute attacks based on enemy weaknesses. Having equipped weapons, armor, and magic, you can combine them to change the course of battle. You can enjoy a continuous, exciting, and serious battle by using skills and magic at the same time. ■ Field Maps Explore the vast world of the Lands Between with a completely different map. Along with a main quest, you will also engage in dialogue and missions with other characters. You will get additional rewards by completing various

Synchronize your actions with other players in the battlefield, and feel the presence of others when you play online. Unleash your formidable presence with a hero's body through a quick and easy tutorial. □Character Creation□ ● Create a Hero Are you the unrivaled hero destined to become an Elden Lord? Then why don't you create an invincible hero body? You have plenty of times to try making a new character. The items you can obtain are the same regardless of the class you choose, so the beginning is easy. You can equip a variety of armors and weapons. Choose your own character class by playing through the tutorial or taking advantage of the instruction. Once you've become the hero you want, it's time to put your skills to the test. ● Character Upgrade Every class has a variety of weapons and armor. You can increase the strength of your character through the "upgrade" system. Depending on your class, your "upgrade" requirement differs. With the right amount of skills and a good "upgrade" formula, you can wield weapons more efficiently and increase your physical strength. ● Origin Choice The character you've created can be born from any race in any world, and the rules regarding the genospell are different depending on the origin that you choose. Depending on the character's race, the combination of weapons and armor differs. ● View the World You can view a large map of the Lands Between. If you click on a place name, you'll be able to view the information about the place. ● Attack by Combining Skills After selecting weapons and skills, learn to combine the skills of various weapons and the items that you've obtained to create a fluid and unpredictable game experience. □Online Play□ ● Three-Dimensional Open-World Map Explore the three-dimensional world and freely move through it. In addition to the map you can view the details of each place. Battles can take place in the map and chat feature can

NEW DELHI: After small talk, understanding seems to be the key to finding workable solutions at India-China summits. After the joint announcement in Xi Jinping's first visit here last week, the two sides are planning to devise a workable framework for tackling tariff issues. A first look at the protocols says "India requests China to reduce tariffs on duty-free goods, refrain from imposing any new import tax which exceed benchmark rates... India will adopt an approach of tariff parity at least in most cases, while China has offered a framework of consultations". The two sides will meet at a high-level bilateral meeting in New Delhi on September 3. Ahead of the summit, Chinese Trade Minister Gao Hucheng said Xi is not a "Tariff Man" but would be open to discussions, according to the official transcript. "China is open to the solutions and
